

FOSTERING ADULT DOGS!

AN HOUR, A DAY, A WEEKEND - IT ALL MAKES A DIFFERENCE!

FOSTERS

WHY IS FOSTERING ADULT DOGS IMPORTANT?

The shelter environment can be stressful for almost any dog. Research has shown that giving a dog a break from their kennel, and when possible, getting a dog out of the shelter reduces stress and thus reduces unwanted stress-related behaviors, slows behavioral decline, and increases **adoptability!** When you foster a dog for a longer term commitment, you help us create more space in the shelter, allowing us to save more lives! AND! When YOU foster a dog, you help us get to know them even better so we can help find the perfect forever family.

THERE ARE SO MANY WAYS TO BECOME A DOG FOSTER!

HAWAII ISLAND HUMANE SOCIETY HAS FOSTER OPTIONS TO MATCH YOUR LIFESTYLE + YOUR SCHEDULE!

FIELD TRIPS | Got a spare hour? Come grab a shelter dog for a lunch break companion or running buddy. Have the whole day to head out on an adventure? A shelter dog would love to join you!

SLUMBER PARTY | Bring a friend home for a night or two! Slumber party fostering is the perfect way to enjoy time with a shelter dog during the weekend or any weeknight!

LONG TERM FOSTER | Provide a shelter dog with a loving temporary home for as long as they need - until they find their forever home. You'll become an integral part in that dog's life and in helping us provide space for more dogs in need.
