Aloha Fellow Animal Lovers,

Did you know Hawaii Island Humane Society accepts all animals at our three islandwide shelters regardless of species, condition or circumstance? Every year, more than 15,000 animals arrive on our shelter doorsteps. Many are infirm, ill-treated, injured, too young or elderly. Some have never known the security of a home, while others have lost the only home they’ve ever known.

Adoption spares thousands of lives from euthanasia. The HIHS Board of Directors completed its recent two-week internal review and developed a Rescue Partnership Application and Agreement that provides a standardized framework for qualified organizations and individuals to adopt HIHS animals. To encourage a significant increase in rescue partners’ animal adoptions, the Board took a giant leap of faith that our fundraising can cover pre-adoption expenses and also waived adoption fees.

Hilo-based Aloha Ilio Rescue is the first organization to become a designated HIHS Rescue Partner. We’ve been working together for years and we are delighted to strengthen our working relationship and mutual respect.

Adoptions, fostering and our Second Chance Fund are all part of the solution. On the front end, spay and neuter can avoid litters of unwanted animals altogether. Help us spread the word: Spay. Neuter. Fix the Problem. HIHS spay and neuter services have risen over the past five years and that is a welcome trend we want to continue.

I’d like to close by thanking our dedicated HIHS staff, volunteers and volunteer Board members. Fifty-years-young and our organization grows stronger, more efficient and more effective every day.

Until they all have homes,
Donna Whitaker
Executive Director, Hawaii Island Humane Society

New Animal Community Center

Thanks to the generosity of our capital campaign donors and community supporters, grubbing and rough grading has been completed at the 12-acre site in Keauhou Mauka. Next steps include topography mapping and architectural drawings. With $265,000 needed to complete Phase 1, every donation is another positive step toward fulfilling our mission.

Thanks to Justine Arillaga who brought her son Jack and his two friends, Finn and Ben, to HIHS Waimea. Jack made a welcome donation of $30 plus towels for shelter use.

“...Our two dogs left our yard through a hole in the fence in the middle of the night on January 4th. As the days passed without their return we were sadly accepting that we wouldn’t see them again. On March 9th...Maka was at the Waimea Humane Society facility. She had been found five miles from our home. Two days later...the HIHS officer had picked up Kui. He too was found five miles from our home. Both Maka and Kui were adopted from the Waimea facility as adult dogs.

Many thanks to the kind folks at Waimea HIHS who actually retrieved both dogs. We have benefitted from your adoption services, the microchip program and your stray-rescue efforts.”

CHILDREN LEARN VALUABLE SKILLS AT JR. PALS

During the school year, Bebe Ackerman, our Humane Educator/Community Coordinator, assists educators by bringing hands-on lessons for all ages to classrooms around the island. You can feel the students’ enthusiasm when Bebe arrives in a classroom accompanied by two trained education dogs. Wagging tails are a welcome catalyst for learning. Lessons of kindness, animal safety and responsibility leave a life-long impression.

As the school year wraps up, the summer sessions of Jr. Pals get underway at all three Hawaii Island Humane Society shelters. Jr. Pals, a 7 to 8 week program, is designed for children aged 9 to 13. Program participants meet once a week to learn the basics in animal care, behaviour, dog obedience and training. Certificates of participation are earned and the children graduate as full-fledged shelter volunteers.

Have you visited the landmark Keauhou Store to purchase Sake’s Favorite Peanut Butter Dog Treats yet? Named for storeowners Thea and Kurt Brown’s Boston terrier, proceeds from these homemade treats benefit our new Animal Community Center. While you are there, be sure to taste the yummy cookies for humans too.

Kelly Shaw, RB, with Koa Realty, makes it a point to give back to the community by donating a portion of her sales commission to worthy organizations. Mahalo to Kelly and her clients Bryan Jenkans and Jill Hogue for selecting Hawaii Island Humane Society as the designated beneficiary.

Who knew in 1973 that young Henry Chapman (pictured above with the large dog) would join HIHS this year as our accountant? His love for animals endures!
