Mahalo to

JoAnn Pastorino & Friends

January is always the start of an especially busy time of year for Dayzee and me. The holidays are behind us, school is back in session and students are starting their big projects for the year.

Did you know volunteering with HIHS is a great way to give back to your community but it also has many rewards, besides those of the slobbery kisses and wet nose variety! Many students volunteer with HIHS to earn extra credit on projects, fulfill class community

Jr. Pals and pets love our Tales With Tails program.

service obligations or to graduate early. Students can earn a half credit by volunteering 60 hours with us and a full credit volunteering 120 hours. Many college students fulfilling scholarship requirements and obligations also volunteer with us. And seniors, if you're part of the RSVP or Retired Seniors Volunteer Program with the state, you can receive reimbursement for mileage driving to and from the shelter to volunteer. Getting out, being active, socializing and giving love to shelter animals is a wonderful way to relieve stress and add activity to retirement.

This month Dayzee and I are excited to add Waikoloa Middle School as a Critter Club. We will be learning all about community involvement and the legislative process focusing on animal welfare issues affecting our community and how we may work to change things for the better. By incorporating animal or humane themed lessons, students become more engaged, passionate and knowledgeable about contributing to a better community and world.

Dayzee and I have also partnered with the Kona Library, once or twice a month, bringing our Tales With Tails Read To A Dog Program. A few other island libraries will be added in the near future.

If you're interested in any of our exciting programs, give us a call.

Aloha,
Bebe Ackerman and Dayzee

CERTIFIED HUMANE EDUCATION SPECIALIST
